One in three Australians is at risk of contracting kidney disease. If it goes undetected and untreated, kidney disease can be a silent killer. This year Kidney Awareness Week runs from Sunday, 26 May to Saturday, 1 June, and communities across Australia will 'turn red' to raise awareness of the impact of kidney disease. If you'd like to host an event in your

community, free event packs containing posters and balloons are available from Kidney Health Australia. www.kidney.org.au

3on3 events coming your way

The Vibe 3on3° is a travelling sport and music festival that brings together Indigenous and non-Indigenous people for a fun day of basketball, dancing and music. The event encourages sportsmanship, teaches new skills and builds self-esteem, as well as promoting reconciliation at a grassroots level. It features a 3on3 basketball round-robin, rapping and breakdancing lessons, art workshops, a dance competition and a health expo, all accompanied by a backing track of the latest RnB, hip hop and Indigenous music. This month the Vibe 30n3* heads to Port Augusta, SA, on Friday, 17 May and to Bunbury, WA, on Friday, 24 May. For more info and to download a registration form, head to www.vibe.com.au
